

# COLORADO LIONS CAMP

## A MESSAGE FROM THE DIRECTOR

Hello and Happy May,

Colorado spring is in full effect here at camp. We have snow, rain, and freezing temperatures as we begin to prepare for this summer. The gloomy weather doesn't affect the buzz of excitement of welcoming campers back so soon! Usually, in May, I fill this section with reminders about the upcoming summer, and you will still find those in this newsletter; they are just located on the next page. I instead want to take this time to tell you all, campers, families and guardians, Lions members, and friends of the program that this is my last summer at the Colorado Lions Camp. I have adored and will always cherish my time at camp, but for personal reasons have to step away. This has been one of the toughest decisions I have ever had to make, and it is because of the impact you all have had not just on my time here, but on my life. I am looking forward to another great summer surrounded by great people. I know that this one will be the best one yet! So thank you to each of you. For your support and trust in me, and for your continued love for the program.

With Peace and Love,  
Erin Newport

## REMINDERS FOR SUMMER

With summer approaching, we wanted to remind everyone that our staff are in and out of the office. We will return phone calls within 24 hours during the week, and any call made after 3 pm on Friday will be returned on Monday. If you call, please leave us a voicemail so that the right person can return your call. Our email policy is the same.

Please double-check the paperwork and information sent to you in your confirmation packet. Refer to the Medication Procedures document to see how to properly package medication for camp. All of the paperwork in the letter can be found on our [website, following this link.](#)

Your confirmation letter lists a check-in time. To ensure a smooth check-in, please do not arrive at camp until your time.

As a reminder, Physicals, Medication Sheets, and Remaining Balances are due to camp at least TWO WEEKS OUT FROM THE CAMPERS' SESSION. As a note, we do not have a Fax Machine anymore. All paperwork can be mailed or emailed.

If you have any questions regarding this information, please give us a call, and we would be glad to answer them!

## RESPITE PROGRAMS

In April, we went up to Rapid City, South Dakota, for our Travel Camp Weekend! It was a busy few days with stops including Mount Rushmore National Monument, Crazy Horse Memorial, Custer State Park, Wind Cave National Park, Badlands National Park, and much more! It was a great end to our 2025-2026 Respite Season.

See page 3 for pictures from our April Travel Camp Weekend!
