

COLORADO LIONS CAMP

A MESSAGE FROM THE DIRECTOR

Hello and Happy March! We are getting so close to camp; the sun is shining, and the snow is melting. We have continued our preparation for Summer 2025, and we are getting ready for our final Respite of the season in April! We have been busy processing applications, visiting Lions Clubs, and hosting our Respite Camps!

Every year, summer seems to come faster and faster. With that, I try to slow down and find gratitude in the little things and take time to enjoy the springtime before the hustle of summer begins. I encourage each of you to slow down this spring and enjoy those small moments. I hope you all have a peaceful and beautiful spring season!

With Peace and Love,
Erin Newport

COLORADO LIONS CAMP PROGRAM UPDATES

We had our March Respite at the start of the month. Campers created their own Mardi Gras floats and enjoyed the beautiful weather we have been having by going on a hike. We have one final respite of the season where our campers will be traveling to Lincoln, Nebraska, for our first Travel Respite! To see pictures from March, see the page below.
