

COLORADO LIONS CAMP

Est. 1969

Dear Camper/Caregiver/Family,

Thank you for your interest in the Colorado Lions Camp! Whether you are a returning camper or a first-timer, there is always something new to experience at the Colorado Lions Camp. Colorado Lions Camp is a place where campers can participate in a variety of outdoor and recreational activities, make lasting friendships, and explore and experience something new! All applications will be accepted on a first-come, first-serve basis. There is a limited number of spaces available for each session. Once these spots have been filled, the session will be closed.

The Mission of the Colorado Lions Camp is to provide exceptional camping programs to individuals with varying abilities that promote independence, challenge their abilities, and provide an opportunity to discover his or her potential in a safe, positive environment.

Our program serves individuals with unique abilities, ages 8 to senior adults. Our activities are specifically designed to meet the needs of individuals with Down Syndrome, Autism Spectrum Disorders, Developmental Delays, Intellectual challenges, Blind/Vision Impairments, Deaf/hard of hearing, Physical Disabilities, or mental disorders.

Program Outline:

- ❖ Colorado Lions Camp (CLC) offers 8 weeks of residential summer camp. All applications will be reviewed and accepted on a first-come/first-serve basis.
- ❖ The Camper Waiver and Release of Liability to participate in off-site activities form will be included in the camper application packet. Please return your completed camper application packet.
- ❖ Weekly camp themes will be celebrated in each session. Please feel free to send campers with appropriate costumes, hats, or shirts that align with the weekly themes for our daily dress-up days.
- ❖ Cell Phone Policy: CLC requests that no cell phones be brought to camp. Please send cameras for campers to take pictures. Please note, that if cell phones are taken out for use during camp time, CLC camp administration will be authorized to collect the phone and return it to the camper during the check-out day.
- ❖ **Check-in times will be assigned and mailed to you on your confirmation sheet.**
- ❖ **Summer Business Hours:** Monday - Friday 8 am-4 pm. If we were unreachable please leave a message and we'll get back to you the next business day.

We look forward to sharing an awesome summer with you!

Yours in camping,

Colorado Lions Camp

Updated Camp Information for New and Returning Campers

Please read it in its entirety.

The following policies and procedures have been implemented by the Colorado Lions Camp over the past few years and are requirements for participants attending Summer and Respite Camp programs. These changes are following state regulations and American Camp Association Accreditation standards. Our goal is to provide programs that are of the highest quality and incorporate best practices in all areas of our operations. **Please note: if any of these steps are not completed before check-in day, your camper will not be permitted to attend the scheduled camp program. No exceptions.**

Camperships:

- ❖ All Campership requests must be filled out completely (this includes the necessary financial documents to support the need for financial assistance). These documents must be returned with the Camp Application.
- ❖ If the camper receives services through an agency, the agency must be contacted first to see if funding is available before a campership will be considered.
- ❖ CLC is a Medicaid/First Health provider and in many cases, the cost of the camp can be worked into the camper's service plan. If the cost of camp is worked into the service plan, a copy will need to be submitted to the camp office before their scheduled camp session. **No exceptions.**
- ❖ Due to the high volume of campership requests, and in hopes to provide for as many campers as possible: only one campership per camper per season will be awarded as resources are available. Any additional sessions the camper chooses to sign up for will need to be self-pay.

Cancellation Policy:

- ❖ All advanced fees paid will be refunded in full if notice is received from the Colorado Lions Camp office within fifteen days before the applicant's session. If less than fifteen days' notice is received, all but the \$300.00 deposit will be refunded. If the applicant has not paid the deposit, the applicant will be billed. Promptly notify the camp in the event of a cancellation.

Camper Registration Requirements:

- ❖ **Application:** The completed Camper Application (pages 1-12) must be filled out completely and signed by the camper or authorized guardian. We will keep you up to date with any changes that may impact your scheduled camp session(s).
- ❖ **Camp Physicals:** Physicals must be completed within 12 months before your selected camp date. Expired physicals will not be accepted. The camp physical must be signed by a licensed physician on CLC's Camp Physical Exemption Form by the physician's office. **Physicals must arrive no later than two weeks before the beginning of the scheduled camp session.**
- ❖ **Camp Cost:** \$750.00 per camp session (this includes the \$300.00 non-refundable registration fee).
- ❖ **Deposit:** Your enrollment will not be complete until we have received the deposit of \$300.00, or payment arrangements have been made with our office. Payments can be made by check, money order, or credit card by phone. Please make checks payable to: Colorado Lions Camp.
- ❖ **Special Diets:** Campers with special dietary needs (gluten-free, dairy-free, diabetic, etc.) will be served an alternative menu from the CLC kitchen. You may also bring your food for the week.
- ❖ **Due Date:** All forms such as physicals, payments, and service plans are due two weeks before the camp session you will be attending.

Letter of Confirmation:

- ❖ Upon receipt and approval of an application, a letter of confirmation will be mailed to the applicant and parent or caregiver. Please notify the camp immediately in the event of cancellation or if there is a conflict with the assigned session. If your application is not approved, you will be notified directly by the camp office. Please do not wait to have the Camp Physical Examination form filled out. You may mail/fax/email your application to our camp office upon completion. If the first choice session that you have applied for is full, you will be placed on a waiting list or placed in your second choice. All parties will be notified about any updates or changes to the assigned camp session.

Check-In:

- ❖ Check-in times will be mailed to you in your confirmation packet. Please do not arrive before your set check-in time.
- ❖ Please allow an hour for the camper check-in process. CLC staff are extremely detailed and thorough to ensure that we collected all of the pertinent information to best meet the needs of the campers attending the program.
- ❖ A parent/guardian/caregiver must be present for the entire check-in process. **Transporters who have no signing authority are not permitted to represent the camper during this process.**

Check-Out:

- ❖ **All campers must be picked up by 12 pm on Friday, the CLC late fee is \$100.00 per hour.** Please contact the camp office in the event you have an emergency resulting in late pickup.
- ❖ At this time, campers will receive unused trading post money and receipt of purchases, photos if purchased, medications, and any incident reports from the week.
- ❖ All CLC campers are required to check out with the camp nurse before departure, regardless if the camper did/did not have medications.

Each camp session has a theme and activities that are designed to meet the needs of the campers we serve including the participation of all campers despite their physical, emotional, or developmental challenges. By maintaining a low camper-to-staff ratio, we can focus on each camper's strength and potential. Activities include Arts and crafts, swimming, archery, fishing, hiking, yoga, drum circles, nature studies, cooking classes, sports and games, ropes courses, gardening, campfires, drama, hammock village, and much much more!

Camper Eligibility Policy

Colorado Lions Camp seeks to serve individuals with disabilities who meet the eligibility requirements below.

These criteria are necessary to ensure not only the safety of the participating campers but also their ability to receive the maximum benefits of the camp program for which they have applied. All acceptances of applications are conditional. Specifically, CLC reserves the right to accept or deny applications or defer admission on-site or before attendance should it later become aware that the initial application was inaccurate, the camper's health has severely declined, or upon demonstration that a camper does not meet the applicable eligibility criteria. All deferral or revocation of admission must be approved by the Executive Director.

Essential Eligibility Requirements for Camp Admission:

- ❖ Be of the appropriate age or ability for the session requests.
- ❖ Have a physical, developmental, or mental disability. Please contact the camp office if you are a wheelchair user to discuss accessibility.
- ❖ Have the ability to effectively communicate needs to their camp counselor and medical personnel.
- ❖ Have the ability to live in a group setting 24 hours a day without disruption to the living environment. Campers live in dorm-style sleeping areas with no private rooms. Campers are expected to not disturb other campers during quiet hours/sleeping hours, listen to staff instruction, and not cause disruption to other campers' experiences.
- ❖ Applicants will be required to possess basic independent living skills such as: self-feeding, showering, dressing, and toileting. Applicants must be continent and have the ability to maintain a bowel routine. Our program is designed to meet the needs of our campers based on a 1:4 counselor-to-camper ratio. We are not equipped to provide 1:1 assistance/supervision in a group setting.
- ❖ Is not abusive toward themselves or others, i.e. does not physically, verbally, or sexually abuse self or others. Abuse includes, but is not limited to, inappropriate touching or fondling, etc.
- ❖ Does not have a medical condition or impairment that has a substantial risk or likelihood for complication or injury or requires specialized medical treatment (i.e. intravenous infusions, tube feeding, a communicable disease or condition).
- ❖ Oxygen can only be used at bedtime during the camper's stay, campers cannot be on oxygen 24/7.
- ❖ Has the ability to eat or drink amounts adequate for nutritional support and agrees to and accepts personal prescription medication from camp medical personnel.

If the camper is attending the 1:1/1:2 week of camp the eligibility looks different than what is listed above.

COLORADO LIONS CAMP
SUMMER CAMP THEMES 2025

Camp themes are a fun way to encourage camp spirit, generate excitement, and offer a fresh set of experiences for new and returning campers to enjoy. Please note, that all regularly scheduled camp activities will still be offered throughout the week, and we encourage campers to bring props and costumes for the theme-based dress-up days. We look forward to seeing you this summer!

Pre-existing Medical Conditions at Altitude

Please read and initial:

___ **HIGH BLOOD PRESSURE:** It is not uncommon for lowland visitors with a history of HBP to experience temporary high blood pressure at high altitude. This occurs even if you are on blood pressure medication and have well-controlled blood pressure at sea level. A small percentage of these people will have unusually unstable blood pressure. HBP at altitude usually returns to your baseline blood pressure after 1-2 weeks of altitude. Some persons with HBP, however, develop lower blood pressure on ascent to high altitude. You generally do not need to change your blood pressure medication dosage. Increasing your dosage could result in dangerously low blood pressure upon returning to low altitude. If you are having symptoms from your high blood pressure such as headache, dizziness, chest pain, or shortness of breath, you should seek medical treatment. Persons with difficult-to-control blood pressure can use oxygen, especially at night, to avoid problems.

___ **HEART DISEASE (Coronary Artery Disease):** Altitude creates some stress on the heart, which is minimal at rest but can be significant during exercise. Reduce your exercise at high altitudes to a bit less than you exercise at low altitudes, especially the first few days. Stay on your regular medications. Spend an extra 1-2 days acclimating and avoid altitude sickness.

___ **ARRHYTHMIAS:** PVCs or premature ventricular contractions occur frequently at altitude. The heart throws an extra beat every so often and while they are quite harmless, they can be uncomfortable. Avoidance of caffeine may help. Many patients with irregular heart rhythms, such as supraventricular tachycardia (SVT), or atrial fibrillation (a-fib) travel safely to altitude every year. Irregular heart rhythms should be in good control before going to high altitude.

___ **CONGENITAL HEART PROBLEMS:** Persons born with heart problems such as ventricular septal defect (VSD), atrial septal defect (ASD), patent ductus arteriosus (PDA), or tetralogy of Fallot that is partially corrected may experience increased symptoms at altitude. These conditions may predispose to HAPE. As the blood pressure in the lungs rises, normal blood flow through the heart may get pushed through these holes in the heart in what is called right-to-left shunting. This potentially contributes to altitude symptoms as there is less blood getting loaded with oxygen in the lungs. Caution should be exercised when considering high altitude exposure in people with these issues. The use of oxygen at high altitudes will prevent any problems.

___ **HEART FAILURE:** Heart failure (HF) has not been studied extensively at altitude. Persons with HF have increased sensitivity to fluid retention. Since retaining fluid at altitude occurs frequently with or without AMS, this could potentially cause a worsening of heart function. Patients with HF, if they are careful, can likely travel to moderate altitudes safely.

___ **ASTHMA:** Persons with asthma do better at high altitudes, contrary to some opinions. If one suffers allergic asthma, they do better at altitude than at sea level. As always, any asthmatic should continue their asthma medications and carry a relief inhaler with them at altitude just as they would at sea level or lower elevation.

___ **COPD/EMPHYSEMA:** Patients with chronic lung disease have difficulty transporting oxygen from their lungs to their bloodstream. Visiting moderate altitude for those with emphysema may be feasible. Testing blood oxygen levels at low altitudes in these people may help give us a better picture of who will do ok at altitude. Those with emphysema who wish to visit high altitudes should visit their doctor to optimize their condition and may want to consider additional oxygen while visiting high altitudes. Oxygen at high altitudes will help anyone with lung disease and is easily available.

___ **MIGRAINES:** Persons with migraine headaches are not at increased risk of altitude illness. If a migraine develops at high altitude, however, it might be difficult to distinguish this from an altitude headache, although an altitude headache does not have an aura and is not unilateral. A recent study suggests that low oxygen levels can trigger migraines. If you suffer from migraines, you should use your regular migraine medication at altitude if your headache seems like your typical migraine. If your medication is not effective, then you may need oxygen in addition to other treatments, as your headache may be due to AMS.

___ **STROKE/TIA:** Occasionally, stroke-like symptoms such as weakness on one side of the body or partial blindness have been reported in otherwise young healthy persons climbing at very high altitudes. These symptoms resolve with oxygen or returning to a lower altitude. If you or someone you know experiences these symptoms, you should seek medical treatment immediately. If you have had a prior stroke and you decide to go to altitude you should continue to take all your medications as directed by your doctor and consider limiting your activity at high altitude. Persons taking a blood thinner such as Coumadin or Plavix need to be careful to avoid trauma, because of the risk of increased bleeding when on the medications.

___ **SEIZURES:** Persons with seizure disorders well controlled on medications do well at high altitudes, and it is generally considered safe to travel to altitude with epilepsy that is controlled with seizure medications. High altitude may unmask a seizure disorder in someone who has never had a previous seizure. In addition, the stress altitude, usually in combination with other factors such as cold, overexertion, and lack of sleep, may cause a single seizure in persons without any type of seizure disorder. Persons who have been on seizure medication in the past but who have discontinued it might want to consider taking it again for a high-altitude trip, especially a longer trip or if going to a very high altitude.

Please read the following statements carefully and sign your name to each.

Acceptance Conditions

The Colorado Lions Camp reserves the right to refuse to provide services to any individual if the camp staff determines that the individual cannot be provided with adequate support by CLC. These decisions are made on an individual basis, by the Executive Director, and/or Nurse. Parents/Guardians/Agencies will be notified in the event of any serious injury or illness requiring more than basic first aid, or in the case of any significant incident or behavioral problem. The separate Camp Physical Examination Form which must be completed and signed by a licensed physician must indicate that there is no evidence of any condition that might present health or safety risks to the camper, other campers, or staff members.

Application and Medical Paperwork must be submitted annually.

I agree to the acceptance conditions above. Should it become necessary for my camper to leave camp, or any Colorado Lions Camp function, for any reason, I will make accommodations to bring the camper home. I hereby certify that to the best of my knowledge, all the information contained in this application is true and complete. I hereby authorize the release of any and all pertinent information regarding this camper to the Colorado Lions Camp. I agree to notify CLC of any changes that need to be made to this application before camp begins.

Colorado Lions Camp
Camper Waiver and Release of Liability

I, _____ understand that there is an inherent risk in participating in camp activities that may result in personal injury. I hereby consent for the below-named camper to participate in all camp activities. I hereby unconditionally release, waive, consent not to sue, and hold Colorado Lions Camp and its officers, directors, agents, employees, and volunteers, harmless from any and all claims or actions on account of injury (including death), or damage to property, while participating during their camp session, including some off-site activities. Campers and staff will always be transported in Colorado Lions Camp buses with trained CLC drivers per our CLC trip and Travel policy.

CLC Campers participate in the following off-site activities:

Activity	Distance from CLC Camp
Memorial Park: Games and Fishing	5 miles
Camp Elim: Swimming Pool	4.8 miles
Manitou Lake: Hiking	4.9 miles
Red Rocks Group Campground and Trailhead: Hiking	.9 miles

This waiver, release, assumption of risk, and agreement not to sue discharges Colorado Lions Camp in advance from all liability even though that liability may arise out of Colorado Lions Camp's active or passive negligence.

Colorado Lions Camp
Parent/Guardian/Agency Checklist

Please initial each:

____ The camper application and camper questionnaire forms are filled out and signed by the Camper/Parent/Legal Guardian/Agency. Please note that these forms should be forwarded to the camp as soon as possible to reserve your preferred camp date.

____ The Camp Physical Examination Form is completely filled out and signed by an authorized Physician within 12 months of the camp session. The Camp Physical Examination Form must be returned two weeks prior to camp. **Failure to return the Camp Physical Examination Form will result in the camper being dropped from the camp session and no refund will be given.**

____ I understand that all medications/vitamins/supplements must be pre-poured into a med minder box by a Parent/Legal Guardian/Agency. I must bring the original bottles with one pill in the original container and/or a complete bubble pack with the remaining pills (this includes vitamins and supplements). Any changes in medication times or dosage or if it differs from the prescription bottle/bubble pack, must be verified by the physician in writing or the Camp Nurse will refuse to administer it. Any medication not accompanied by the original prescription bottle/bubble pack will not be accepted. A signed Release of Liability for the Administration of Pre-Poured Medications Form by the individual who pre-poured the medications must be provided to the Camp Nurse during check-in. Nonprescription, dietary supplements, and homeopathic remedies will not be given at camp unless they have been pre-approved by a physician.

____ I understand that the Colorado Lions Camp does not provide 1:1 assistance/supervision during our camp sessions. In the event it is determined that the camp program is not equipped to properly meet the needs of the camper (medically or behaviorally) the camp may require me to pick up the camper before the end of the scheduled session. No refunds will be made due to an early departure for inappropriate behavior issues. **THIS DOES NOT APPLY IF THE CAMPER IS ATTENDING THE 1:1/1:2 CAMP SESSION.**

____ If cancellations are not made within 15 days prior to the beginning of the camper's scheduled session, the registration fee of \$300.00 will be forfeited and will be non-refundable.

____ CHECK-IN is Sunday. Your check-in time will be provided to you on your confirmation sheet that we mail with the rest of the packet. A parent/guardian/agency will be required to assist the camper and remain with the camper(s) during the entire check-in process.

____ **CHECK-OUT is Friday by 12:00 p.m. for all campers.** All early pickups must be prearranged. Late pickups will be charged \$100.00/hour to cover additional staff costs. (For example, if you arrive at 12:05 pm you will be charged the late fee) Please plan accordingly. No lunch will be served on Friday.

____ I understand that upon receiving the Camper's Application and Camp Physical Examination Form the materials will be reviewed by the Executive Director. If the camper is accepted, a confirmation packet will be mailed to the address on the first page of the application. The guardian(s) will be contacted if more information is needed.
